“Kenny G”, as I so fondly called him !!! Loved him like a brother, not a brother-in-law. I started missing him long before he transitioned into the arms of our Lord. I missed his jokes, his smile, our conversations about family. Yes, I missed all of that when Kenny decided he was tired. Just as his daughter said, I have peace knowing there is no more suffering for him. I have a lot of very fond memories of Kenny that I will forever hold in my heart. To Kendra, it's not going to be easy, but as time passes, it will get better. At those times when you feel the need to talk to him, talk to Jesus. He will strengthen you. Hold on to your faith & trust in the Lord. Love Carolyn

“ There's not enough space on this page or time to talk about all the good memories I had with my "pops". The years have flown by and it seems I looked up and we had switched roles... He took care of us and then we took care of him.. But that's what family does. I love you "Kenny Hawk" and I am at peace because I know...you are.

“ I was blessed to be able to have my dad for 33 years of my life. He was an amazing person who had a big heart. Although I miss my dad more than words can say and my heart is hurting, I find comfort and peace in knowing he is no longer suffering. I will have with me always all the great memories of spending time with him and learning from him. I want to thank all of you for your support and kind words, it means a lot to us and it warms my heart to know how much he was loved.
