“ I am so sorry to hear of Ken’s passing. Ken was one of the coolest cats I ever met. I was about 7 or 8 when I first met him; they lived on Winans and we lived on Blades. Ken and Tony would come by and hang out with our older brothers on Friday and Saturday night. Later when we moved to the north side, and when they got their licenses and cars, Ken and Tony would still come by, they were always part of the family. My favorite memory of Ken, was when he had that ’75 Cutlass. “Dirty Red” he called it. He would give me the keys and me and my brother would go for quick spin. I always found that Isley Brothers 8-track tape, and played “Live It Up” as loud as I could while we were riding. Ken would always say “if you put a dent in my car, just go down to Green’s and wait” (if you’re from Flint, you get this). You couldn’t come to my Mother’s house without getting something to eat, and getting your picture taken. I posted a few of Ken that I could find.

*Rest In Power, Ken.*

*My Sincere Condolences to Ken’s Family.*
