“ *Ok I'm going to try this again. First I want to express my deepest condolences to the entire PREVO family and friends. I first met Kenny in 1981 at Jordan college. We were around each other a lot due to mutual friends. And then we became like family in 2015. Im still shocked at his departure and I'm going to miss him. He teased me and we laughed a lot bcuz he didn't bite his tongue. I will NEVER EVER forget his heavy handed self tapping me on my left arm saying "Guess What"???!!! There's so much more I can say about Kenny. But I'll just end by saying I LOVE YOU AND MISS YOU ALREADY.*
