“ From time to time God blesses you with positive people that you can call, a friend. K.C. was always that. I could not enter a room that he was in and not smile. He always brought joy with him. Enough to spread around.

He will be truly missed but NEVER forgotten. His memory is so powerful that he still can make me smile.

I just want the family to know that he continues to live in all of us!

All love and prayers to the Shaw family.

“ My deepest sympathys and condolences to the Shaw family and **EVERYONE** who loved, or ever met KC. Even if you didnt know him that well he was the type of person you'd never forget. We first met in middle school and have been friends ever since. KC was a beautiful person both inside and out and he will truly be missed. To all the people who loved him, this is truly a difficult time, we have many questions and no answers. Many theories and assumptions but no facts, now is not the time to dwell on what could've or might've happened. The fact remains that KC is no longer with us and that's because God had a bigger plan for him. May his life and death not be in vain and may we all learn from this. To my friend I love you and you will **NEVER** be Forgotten.

“ My heart and deepest sympathy goes out to KC's family and friends. As someone who had the chance to know and sing with KC, I know that he was truely a shining star. He brought joy and laughter to so many, including myself. He often helped me with my nerves when it was time to sing in the talent show. For that I will never be able to thank him enough. The world has truely lost a spectacle but heaven has truely gained an angel. I am sorry that I will be unable to attend due to my location, but know that the love for KC extends across many different states. Again, my heart goes out to you all and you will be in my prayers.
