“ Uncle Kenny man I love you and its sad to see you go this way. I know for years you have been suffering and not able to do the things that u wanted but now you are free. As I sit here and write this tears are coming down my face. My mother and I was the last one to be in your prescence. I was suppose to come and watch the basketball game with you monday night. I really believe you left me and the family to early but we all love you. Its hard to say Goodbye so im not gone say that Im jus going to say I will see you when I get there. Until then watch over me and the family and make sure you lead all of us down the right Path.

“ Sorry to hear about the loss of your loved one. Death is a enemy that we as humans can never get use to. In my times of sorrow I have found comfort in John 5:28,29 which says that one day we will see our loved ones again.
