“ Mr. Waters was my 9th grade football coach at Emerson. Not only did he teach us X's and O's but teamwork, leadership, comoraderie, and Life lessons in general. He taught us the importance of giving our best effort on the field which carried over to the classroom and later on down the road of life. You'll be Truly missed Coach Waters. May God Bless and Keep the Waters Family in this time of need. You are in my Prayers.

“ In 1971 “52 years ago” Emerson Junior High School Football Team was “All City Champions”with a perfect record 8 Wins -0 Losses:

A tribute to you, Mr. Kenneth Waters a.k.a Coach. You taught us how to be champions and winners at the age of 15, that change our lives forever, it made us better men in our every day lives. To my teammates as we used to sing row row row your boat as we practice late into the evening with the tasty freeze lights on doing the duck walk. On the REAL the reason why we didn't lose any games is because we were too scared to lose! Coach Waters and Atwater would put on helmets doing practice and run us over so come game time we were ready to play and we knew if we didn't win there was HELL to be payed! Practice was hard enough and we were win winning!!

Pictured below is a 1971 All City Championship Team Emerson Eagles 🦅 Coach Waters(upper left corner suit and tie) and staff & Football Team.

Thank you for being the man that you were who changing all of our lives. I personally will say if it wasn't for you, I would not have been able to accomplish all the things in life that I did. You were truly a wonderful coach, and a wonderful father figure for us, young man thank God for you! You left a part of yourself and all of us. We will never forget you.
