“ *Kent was a special freind to my brother. Everytime i'd see kent with kevin he had big smile. His smile will be missed. Kent will be missed. The Lee an Haney family will be praying for you in your time of sorrow. Always remember that God can and he will. We are all going to leave here one day, and it's not important when you go, or how you go. The only thing that matters is where you're going. To the family, embrace and love one another. keep each other comforted and remember Kent's smile and the good times you shared together.*
