“ My cousin came to Dallas to visit us a week before his passing. He kept infasizing the importance of family and staying in touch. The importance of his niece and nephew knowing who he was. He was on me about my blood pressure. This doesn't seem real. Kenya was such a great fun loving person. He is one cousin that I can say never ever made me mad. Always pleasant, smiling, and talking smack. I love you Kenya. You will never be forgotten. Forever in my heart.
