“ First let me start out by saying wow....this was truly a shock. Kevin you will be missed at the class reunions and you will be missed in general.....but on a good note you are with your mom, and your other half Keith.....To Dawnette, my thoughts and my prayers are with you because I have truly been in your shoes....different circumstances but i buried two brothers back to back. I too am in the same situation at this time. Just remember that to be absent from the body is to be present with the lord.....I will keep you and your family in my prayers.....May God bless you and keep you at this time. R.I.P. Kevin and tell Keith that Virginia said hello.

“ My heart was truly saddened to hear of your lost. With God all things are possible. We don't have to understand the why, when and how as long as we understand the What and more importantly, the Who. May you find comfort in the Bosom of our Lord and Savior. Dear Lord, in all I do today, Remind me that there's just one way to do the things that I do the best, to put my mind and heart at rest,-- And that's to put in Your Great Hands, My life, that You alone have planned. Amen.

“ *Monica, I am truly sorry for your loss. We are praying for you and your family. I know exactly how you feel. I wanted to share a poem with you that I had for my dad when he passed.*

*When I come to the end of the world
And the sun has set for me.
I want no rites in a gloom-filled room.
Why cry for a soul set free?
Miss a little - but not too long.
and not with your head bowed low.
Remember the love that was once shared
miss me but let me go.
For this is a journey we all must take,
and each must go alone.
It's all a part of the master plan,
a step on the road to home.
When you are lonely and sick of heart,
go to the friends we know.
bear your sorrows in good deeds.
Miss me, but let me go.*

Love you Monica. The Washington family is praying for your family.

“ It is with great sorrow that I write this to the Berger family. I wish the family peace and love knowing that Keith and Kevin are back together in spirit. Mrs. D and Gus, I want to express my condolences to the two of you and I want to let you know that Kevin and Keith were truly loved by me. I considered the two of them as my little brothers even though I could never tell them apart. They played many jokes on me because they knew I could not tell them apart, but the jokes were always hilarious. They are going to be truly missed.
