“ *Breed Family, we are so sorry for this great loss of Kevin Breed. My Mother, Ollie Johnson was very fond of all the Breed children, but of Kevin, especially. She always relates how coming up, he was mature for his age and socially aware of everything going on. Kevin will be dearly missed, always had a pleasant, positive attitude despite what was going around him. Kevin was very quiet but observant. He used to give me the best hairstyles. I will remember our conversations and his excellent work ethic. Praying for Jehovah God to give you strength and endurance during this difficult time.*
