ME

“ To the Feimster family and Rochelle. It has been many years since seeing Kevin, but growing up, he was always the friendliest person around. Always had a big smile on his face.

I actually accidentally found out that Kevis passed and immediately phoned my brother, which was his running mate back in the day. He was just as shocked and saddened as I was.

My condolences to you all and praying that you have been enveloped in Gods awesome love while you go through this difficult period.

All the best to you,

Marty Embry

“ *The angels are always near to those who are grieving, to whisper to them that their loved ones are safe in the hand of God.*

I will pray for you and your family.

God really knows best, even when we don't understand.

“ A Broken Heart

*How do I mend a broken heart?
My entire world has fallen apart.
How do I find hope in a brand new day
when my friend has gone away?
My mind overflows with memories of you
of all that we've shared, all that we knew.
I miss your teasing and your warm embrace,
the look in your eyes, the smile on your face.
My dreams are filled with your soft gentle hugs,
I wake and sometimes hard to fall back asleep for all that I miss.
I wish I've visited Flint more often, I really miss ya!
How do I mend a broken heart,
when my brother Tandy and I are apart?
My heart knows to love you, it won't let go, what do I do?
Our moments together were precious and few, (family get
togethers at Father Feimster's home during the holidays)
but I cherished them all more than you knew.
I love you Tandy and always will,
I loved you then and I love you still.*

*Tandy was forever teasing me every time I
visited, but he had the sweetest heart and
the biggest smile and you could count on seeing both
each time you were in his company!*

I pray for your family.

“ *The Lost Of A Loved One*
The loss of a love one is so hard to face,
you just want to hide,
go some where and escape!
But death is something,
we all must go through,
I know it?s hard,
when it?s someone you loved and knew.

Just know now,
he is in a better place,
no more hurt or pain shall he face.
It seems unfair and yes this is true,
but he is in Heaven now
watching over me and you!

God has called him home to rest!!
And he?s being well taken care of
Because God knows best!

May God Bless each and everyone one of you during this time of
lost.
