We will keep his memories in our heart forever. He will be missed by the many lives that he has touched. I will miss praying for him daily, but I will see you later Kevin,

“ *My prayers are with you his family at this time. I worked with Kevin for 12 years at Siemens he was a dear friend of mine. One of the truest friends I have ever had in my life. He was a great person he was always there to listen to you and joke around and just be an all round wonderful person. Our work relationship was a piece of our relationship we also boweled together for a number of years and we went out with our work friends several times every year together and just kept in touch all the time. I will miss Kevin as much as I would miss any family member I would lose. He will be missed so much and I know he is in Heaven because no one lived a life worth going to Heaven like Kevin did. I will make the drive to Michigan this weekend to see my dear friend and say good bye. See you one last time on Saturday Kevin! Enjoy Heaven my friend!*

“ Dear Motley family, I am so sorry for your loss. It has been years since I've seen Kevin but the memories of his smile will live on in my mind forever. I remember him as a very sweet person and that we had a lot of fun 23 years ago during our high school years. He had a lot of friends in school and from what I'm gathering he still does. May God bless his family and friends at this time and may time heal all hearts but never forget the memories. RIP Kevin, until we see each other again. Your friend, Rhonda Moore (Wiley)

“ *Mr. Bennie and Mrs. Daisy and Kacey,
I was shocked to here of the passing of Kevin. My prayers and thoughts are with you as you go through this time of bereavement. It is hard to loose someone so young. When my father told me of his passing. My thoughts went back to the conversations you use to have with my mom about Kevin. How we use to visit your house to pickup items from the garden. How Kevin and Kacey would come out and speak run back to their room.*

we love you and will always remember Kevin.

“ *Uncle Benny, Aunt Daisy and Kacey,*

*My memories of Kevin are mostly from when we were younger. I
use to love when it was your turn to have Sunday Go Meetings, one
because your house had the best potatoe chips and cookies and
you could bet money that if you touched something that Kevin told
you not to touch he would tell you "you are not my cousin anymore".
I think we would touch things just so he could tell us that. Kevin's
infectous laugh even into adulthood would have you laughing with
him even if you didn't know what he was laughing at. I will carry
Kevin's gift of gentleness in my heart.*

“ Kevin will be missed by all that had the honor and pleasure of meeting him. In just the hand full of times I met him face to face and all of the telephone conversations we had over the years, he kept me laughing and smiling all of the time. He taught me what Michigan football was and he really knew how to taunt the Bears and Packers fans. We talked a lot about football. Goodbye Kevin. My prayers go out to Kevin's family in this time of grief.

“ Kevin
I will truly miss you. I remember when my mom left after dropping me off for college at Grand Valley, you were the first person to show up at my door and you took the time to show me around the campus and also took me grocery shopping. Before you left, you told me that you were only a phone call away. I never forgot that. I also have found memories of our childhood together and riding in the back of granddaddy's truck in Alabama. I will truly miss you Ribby.

“ Aunt Daisey, Uncle Benny, Kacey - I want to say I love you guys and you are definitely in my thoughts and prayers. Kev was a great cousin and I will remember our childhood fondly. I also want you to know that even though this is a difficult time, please try to find comfort in knowing that if you draw close to God and accept his invitation to "throw your burdens upon him" (Psalm 55:22) he will "revive the heart of the ones being crushed."(Isaiah 57:15) Find strength in your faith and with us - your family. I hope these loving thoughts will comfort you guys during this time.
