“ *Brother, I am so hurt behind this. It's hard for me to even see you lying in a casket. The fact that my big brother is gone is gut wrenching, and the pain has been unbearable. So, I have tried to avoid it. I thought we had more time to laugh and make memories together. I will cherish every moment we did get to spend with each, and I'll never forget your goofy smile and laugh or the comfort your brung me just knowing that I had a BIG BROTHER. I will never forget the day you saved my lifeQ I'm so sorry KB, love you forever and ever -*
