“ KeVondre was quick to bring a smile to many people. . He brought people together, older people and younger people. It seemed to me he was “The Guy” that so many folks counted on. He was a great member of the Swartz Creek community. I’m going to miss his great sense of humor and his laughter.

“ *My name is Brian Kelley and I lead the Adult Basketball Program at the United Methodist Church of Swartz Creek on Tuesday nights that KeVondre was a part of for many years. I always loved having him with us because he always brought a smile to my face and I considered him a true friend. Another thing that I valued about him was that anytime we might have a young kid in the gym, KeVondre was absolutely outstanding at taking a few minutes to play with the child and have some fun. I very much admired this about him. I am thankful for my years of sharing good times with him and my heart was very broken upon hearing of his death. I pray for his family and all of his friends as we mourn his loss.*

“ Kevondre you and Delon friendship grew to be so beautiful!! It won't be the same going over his house and not hearing your voice over the headset while you guys played the game or knowing you not going to walk through the door.
