“ *To Mrs. Stevenson, I am so sorry to hear of the loss of Kimberly. Kimberly and I were very good friends. She inspired me to loose weight. Earlier this year I had taken very ill and Kim and I had lost contact. If I had known I would have been there. I am going to miss her. I moved away from flint four years ago. And Kim and I would keep in youch from time to time. I am so sorry.*

Kim loved to clean!!!!!! and cook she was spotless, and was a great mother, and friend and could save money. She did not believe in wasting one penny. Only Kim could make a pair of jeans look so elegant. She was a real friend. We would always talk about ness, that was her girl and her little brother, and talked about how pretty her Mother is. She loved her family to the utmost. She was a very honest person, most of all she did not hide her faults. She said God is the only one who can heal me. She was an inspiration to me. I miss her.
