“ Kim I think of you every day. I miss my little sister so much. Sometimes I just can't stop the tears even though I try. I try to remember all the fun You, Terri and I had growing up. I remember the game the three of us made up "Katastics" Terri and I just laugh. I remember you singing "Won't you marry me Bill" and how you would make your voice go so low on the word "Bill". I still hear you saying "Brother" and how you were always the first call I got on my birthday. I miss you so much. Your children are doing fine but miss you ❤️ Kaleah told me that she wasn't my niece and that broke my heart. I miss you so much ❤️ I'll see you again Sister ❤️ love you still, Your Brother Scott

“ Craig, and children my heart goes out to the entire Ruffin family. May God fill your life with loving memories of your Wife, and Mother. He grant you and the children with rich blessings of love that continues to grow - love that is too great to ever be able to be measured - a love that can only begin with Him!  
In Christ, thus love,
