“ Prayers and Condolences - Kirk knew that family came first; he showed the importance of taking care of the ones he loved and having each other to lean on above all else. He had a big heart and because of that, the rest of us were never short on LOVE!! Remember the good times of laughter and fun. Gary/Susan Baker (Murfreesboro, TN)

“ Kirk was my brother-in-love, he loved me, and I loved him. He also loved my children his neice and nephew. When we needed him most he was right there, he was right there when my kids had to make arrangements for their dad, his brother. He even did the shopping for his home going and picked a beautiful suit for his brother. I will miss you Kirk, calling just to check on us. R.I.P. brother 💔
