Mr. Campbell will lie in state in the Chapel of Lawrence E. Moon Funeral Home, and may be viewed from 12Noon-8PM Friday. Mr. Kirk Allen Campbell was born August 9, 1952 in Flint, the son of James and Lucille Campbell. In 1972, he graduated from Beecher High School. He later joined the United States Marine Corp, and was stationed in North Carolina. Kirk later attended Mott Community College. He was employed at GM Fisher Body in Flint for years. After moving to Tennessee, making this his home, he worked for the Saturn Plant as an Operating Technician. Kirk loved life, and he always found pleasure with nature. He was very much an outdoorsman enjoying activities such as: fishing, hunting, gardening and watching his harvest. He loved working on his house, improving every detail. He put all his work into his previous house from floors to wall trimmings but that house burned down and he lost everything in the fire. This couldn't keep Kirk down for long. He immediately started over again with the help of friends he met along the way and his family. It was a long process to have all that you worked on through the years taken away and have to start over, but he had another home built with every detail covered. Everyday he worked on his house. Kirk met several

good friends and neighbors that helped to build his house. His house finally became a home. It was his determination that kept him going along with his friends and family who will always love him.
