“ I remember when Kjuan was a baby and I use to keep him when she was in school (senior year) and I would put on Teresa's robe and rock him to sleep. One day Teresa came home and she said girl you are going to spoil my baby, we both laughed and she put him down to finish his nap. In my mind I didn't care about watching Kjuan for one he was a good baby and two cuz was getting her high school diploma in spite of having a baby. That's my greatest memory of Kjuan. He was always a sweetheart. Love you Kjuan.
