“ *My heartfelt condolences to the family and friends of Mother Lee. I met her many years ago at the Urban League of Flint where she provided tremendous guidance in both my spiritual and my personal life. She is a woman of great wisdom and never ending compassion. You will all be in my prayers. The earth has lost a great woman, but God has gained an angel like no other.*

“ *It is with sincere condolence that I bring this message of sympathy to you. I had nothing but great love, compassion, and understanding with a listening ear, for all the time I was fortunate to spend with Lady Lee. She was full of wisdom. I met her while working for Rev. Lee and I admired her ever since. She was a great mentor, encourager, and definitely "A VIRTUOS WOMAN." Her words of Wisdom still ring true in my ear today, even though I hadn't seen her in years. She will truly be missed and always remembered for making a "Spiritual Impression" and depositing "GOLDEN NUGGETS" in my life. May God strengthen you to endure this pain you feel now, knowing that she's with her husband in GLORY; looking down and waiting on you. I'll keep you in my prayers.*
