“ I missing you brother more and more, I hardly talk about you for my own sanity although you will never ever be forgotten. You left me with some memories for sure. Just thinking of you tares me up, it's not the same with you gone. I often wonder what we will be doing if you were still here. 💔

“ *It's another young gone to met our maker. You where too young to go but I know GOD have better plans. Give our love ones a hug for me and let them know we miss them and love them. I will miss you always. Keep your hands around your mother, father, sisters, and brother. They will need your touch at times. I will see you soon cousin. I know you will in a better place and dont have to worry about this world no more. Now take your rest and we will see you soon.*

Love always,

Nesha
