We worked together in education for six years or so. We named you Malcolm X, you were among the best teachers. You said what you meant, and meant what you said. You will certainly be missed by staff and students in Flint Community Schools.

WOW! Will miss seeing you in Aldi grocery store. Rest in peace my brother in Christ.

“ *Mr. Davis was my teacher at Northwestern. He was very intelligent and definitely one of a kind. I last saw him a couple of months ago. I was so happy to see him, I'd not seen him since high school(1999 Grad). He was in great spirits as always and that's how I'd like to remember him. His light will in this world will be greatly missed. Prayers and Condolences to the Davis Family.*

“ I remember Lamar as a classmate from elementary school through high school at Beached. Later we spoke about everything from current events to black history. It is no surprise that he chose education as a profession. He was very scholarly. He will be greatly missed. My deepest condolences to his family.

“ *Mr. Davis was an excellent teacher and extremely knowledgeable about business and history. He was wise and shared his educational talents with others. His designer glasses were his vision to see the world and it's beauty, and his bow ties made him look super smart. When a person passes we often say they will be missed. I want to say Mr. Davis will always be remembered and his knowledge will remain in the earth by the people he touched. Mary K. Atkinson, former coworker from Flint Genesee Job Corps Center.*

“ *Mr Davis was my teacher even though I was never in his class, I was in the talent show he organized at MMS and I was in the plays he wrote and he took us around town to perform. I remember going to BBQs at his house and we all packed into his sliver two door car with the sunroof. He was a great teacher and man that any student was lucky to have.
