“ We used to be on the phone laughing for HOURS!! That's one of the things I'll miss most, hearing your laughter. I can still hear it in my head and feel you in my heart even though it hurts so bad. I remember I needed to call and talk to you one day and I thought I was bothering you because I knew you were busy with school and teacher duties, and you said, "TJ, you can ALWAYS call me and even if I don't answer, I'll always call you back." I'm gonna miss you friend, but I'm grateful for the memories that I'll always have. I love you Gowdy, rest peacefully.

“ Ms. Gowdy was my son, Jordan's, 9th grade English teacher. He continued to enroll in her classes each year. She was his guardian angel and very supportive of him when he lost his father approx. 1 month ago. She attended one of Justice's games at the Big House with us. There, we both discovered that she and I were grads of Flint Central and Ferris State. What a great bonding moment. Also, she spent quality time with us at my husband's viewing. That was the last time I saw her. Oh my...she is already missed. I love you Ms. Gowdy!!!

Ms. Gowdy was an angel that's for sure. She touched the lives of many people. Ms. Gowdy was my son's teacher when he attended GB High School and she touched his life the same way she touched other students. I even had the pleasure of knowing her outside of the class room. She always always had a beautiful smile and a kind word. No one will ever be able to replace Ms. Gowdy. My condolences to the Gowdy family.

“ *My sympathy to the family of Ms. Gowdy. Death of a loved can be devastating to a family and not easy to go through alone, but through his word at (1thessalonians 4:13) and by meditating on God's promises found in the Bible. You can find real hope and the strength to keep going.*
