May God Bless and Comfort you all during this difficult time; my heart and prayers go out to you. I have early fond memories of Larry and the Clarke Family when we lived across the street from them and they babysat my sister and I. It's been a while since I last saw Larry, but I share your sorrow.

“ I would like to express my sincere sympathy in the loss of your loved one. We were in the same graduating class in 1966. When remembering him, please remember, we are all just passing thru this place we are in, looking forward to go home when the Lord calls. So in your farewell to your loved one, don't say "bye" say only "See you later." May God give you all the strength you need in this time of sorrow.

“ Alvin, Joyce and Gwen:
I was privileged to meet your family at such a young age, 50 years ago...what a remarkable find. Alvin was my guiding light. Of course, Mrs. Clarke was his inspiration and ultimately, had an influence on me as well. Indeed, Larry was my best friend, but you all were my best family. I love you all and will hold you dearly to my heart for the rest of my life. If anyone asked me to describe a perfect family, I would begin with yours.
