“ *Earth has no sorrow that Heaven can not heal.*

Uncle Larry will surely be missed in the community, in our hearts and by the Weems Family.

He was funny and loved to be around family. We considered family and he felt the same about us.

I truly loved him as an uncle and he will truly truly be missed.

Our prayers are with the family we (I) love Ms. Cleveland just as well.

“ *We have known Larry forever..He was married to my good friend, Jackie. But before that, he was EVERYONE'S hall guard. I thank him so much for looking out for my kids while they were at Central, he was like that big uncle/brother that every parent needs when they were not around. Larry will be sorely missed. Our thoughts and prayers go to his family.*

“ Larry will be truly missed. He was a security guard at Flint Northwestern when I was in high school. He kept me on my toes and made sure I received the best education I could get. I really appreciated that. He has done so much for the alumni class of 1974 from NW. We will truly miss that. Stay strong and know that God is a good God and worthy to be praised!!!!

“ I remember Larry from Holmes Middle school. I use to skip and he would see me and just shake his head and laugh at me. He never got me it trouble. I remember going up to Berston field house and Haskells and I told him that he was superman because he was everywhere. We use to laugh about it. He was a good cool man and he was loved by a lot of people. I am truly gonna miss him.
