“ Larry was a special close friend to my husband Tyrone Sweeney until he passed away in 2023. When my husband had a major stroke in 2022, Larry came out to McLaren hospital and shaved my husband twice. No one had to ask Larry. He just loved his brother friend that much. I was so touched. Larry called me from time to time to check on me, and the last time we talked was a month ago. To the Stribbling family I will miss this wonderful Godly man who not only befriended my dearly departed husband, but was there for me also. I'm praying for the entire Stribbling family and his wife who stood by his side. Love ❤️ and kisses.!! SIS. Sweeney.
