“ *Skull, I wanted to tell u that I appreciate everything that you've done for me and my brother. You were the father figure when my own wasn't there. We shared plenty of found memories together and I am internally grateful for what was done. I regret the fact that I was unable to tell you while you were living. I know that you are in a much better place now, and unlike before you are now able to Rest In Peace. See you later... R.I.P.*

*Sincerely,
Your step-son Mario*
