“ My family, my closest female cousin. You will be greatly missed. I'll miss that bright smile and those eyes the most. No matter how near or far we were we always kept up with each other. Reminiscing about the great past we had and kids and our present lives as parents as well as family. I will always cherish our memories as well as talks with one another.

“*Shieka, is my beautiful little cousin. Her father is my eldest cousin. As a child she had the most infectious squeal and giggle as a girl! We all called her "munchkin". We loved her. Family is always family no matter how much time & distance has passed. Praying for the love, peace, happiness, and light I always saw in such a beautiful person..."Shieka Shiek"*

“ Our hearts are heavy. Our niece is gone to be with our heavenly father. Jesus knows how much we can bear, for His Word says " to be absent from the body, is to be present with the Lord". Comfort one another with these words. May God comfort and strengthen us all in our difficult time of bereavement. We will surely miss your beautiful smile, and saying, " Hi Aunty Vicky and Uncle Cash"!! I'm glad we spent time together at Walmart and Ortho MI. We will hold those memories close in our hearts forever. We love you Sheika pooh. That's what we called you. Love Aunty Vicky, RN & Uncle Cassius Webster

“ *I worked with her at walmart, every morning when I came in at 8, she would fix the fly aways in my hair and would pat my hair down so it wasn't frizzy..she told me a week before how she was scared to walk so far to another store because she was worried she'd get hit by a car..I'm praying for her family. She was such an angel and I'm going to miss her..*

“ I’m deeply saddened to hear about the passing of Lashieka Samuels. I had the privilege of teaching three of her four wonderful sons, and I will always remember how dedicated and involved she was in their education. She was truly a loving and supportive mother who cared deeply about her children’s success, both in and out of the classroom. I will always remember her smile. Please know that my thoughts and prayers are with you and your family during this difficult time.

“ *Omg Shieka, the prettiest little girl, I've ever seen, is what I was thinking, the day you moved to Stonegate. You were my neighbor and then you were my school mate at Central and often through Facebook, we'd keep in touch. Girl...it's still not easy to process and that smile, so big & beautiful. You will be missed! I pray over your boys, your spouse, your family and I know God will keep them in every facet. Love you honey!!!*
