“ I've been looking to connect with my first BEST FRIEND in high school for a long time! I've been waiting for her to open up a Facebook account that I could add her on. She and I became the best of friends on Guam when her dad was in the military. I used to go to their house in Apra Heights. We would do our nails and talk on the phone FOR HOURS! I was sad when she left Guam to go to Flint. We used to write each other letters but through the years, we lost contact. I'm very sorry to hear you're gone girly. I love you and I wished so much that we reconnected. I know you're in a better place now. Rest in Peace, sister. Until we meet again!

“ I knew Lashon from school and she was a nice person. I saw her on one of my visits home not too long ago and she was still that quiet and nice person that I remembered. The Wicker family is in my prayers.

“ *Dear Wicker Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is fresh, even with the passage of much time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress. (Psalms83:18, Psalms65:2) Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again. (Isaiah 25:8) My family and I wish you and yours peace. (Phillipians4:7)*
