“ My prayers and condolences go out to Toi's son and daughter...as well as her sister, mother and the rest of her family.
I will always remember the times growing up on Raskob st. Toi always had a passion for singing and playing that piano in that house on Raskob; sometimes you can hear her singing and playing if you pass the house. Me and my brother always liked hanging out with Toi and her sister even though I was younger (lol).
I remember when she and her sister rode to church with me, my mom and brother, to New J, when they still members of New Zion; in years later, Toi made New J her church home and was a dedicated, loyal passionate member.
On behalf of the Bondon family, we love you and miss you always!
RIP

“ LaToi and I went to elementary school together. She always had a beautiful smile and spirit. I kept in contact with Toi through the years and watched her blossom into an awesome woman. We shared some great times and laughs. She has touched so many lives, mothering people, laughing, singing and ministering God's word, and her spirit will live through us all.
Your angel on earth is now in her final resting place. I pray for peace, strength and continued love to cover your family.

“ To the family of Latoi Jones,

I know this a very difficult time for you. I pray God's blessings on your life and that he may comfort your hearts. To be absence in the body is to be present with the Lord. So as we know Toi is singing and shouting with the angels. No more pain or suffering. She is looking down on us in great anticipation on the next family reunion in heaven. Be of good cheer and smile because that is what toi would want.

*God Bless,

I wish I would have listened to that little voice and tried to contact her. There is NO DOUBT she is in heaven looking down through the stars at those she loves!

“ To the family of LaToi Jones:

There are no words to express how sad I felt when I heard the news. I've known Toi at least since our teenage years, but only in the last 5-6 years have I had the chance to talk with her. Toi was always so magical, so positive. I felt like a little bit of the joy in my life left, like it will always be gone.

I pray that you all find strength in knowing that there are so many people in Flint and beyond who love Toi and appreciate the light she brought into the world.

“ To a very warming friend and family, I would like to say I am praying for you all. Toi and I laughed and cried many tears together to the point where she would be holding her side telling me to be quiet. I know I will see u again, and hold me a spot in the tenor section. The Lord have received one more special angel and I cannot express my feelings enough to let u know it's okay to rest now on God's pillow. Love you girl, I will see u again.....

“ To the family and children of Latoi: I cannot begin to imagine the pain losing a mother and child. Latoi and I went to high school together. She was such a wonderful friend, sweet, and caring person. We lost contact but reconnected through facebook. I know that it hurts right now and you dont understand why but we all know that GOD makes NO mistakes. HE said it was time for HIS ANGEL to take her rest and recieve her reward for her great work done here on earth. Just remember to keep the faith and continue to trust in GOD for HE is the ONLY one who will see you through right now and in years to come. Heaven has gained another true ANGEL and she is watching over all of us. Latoi you will NEVER be forgotten. R.I.P. sweetie....until we meet again.

“ I have been knowing Toi since Jr. high. I remember she always had a smile on her face and even though she left Southwestern before our senior year she stepped up to help me try to organize a reunion last year. My birthday was two days after hers and on the morning of her passing she wrote on my facebook page to tell me happy birthday..that just goes to show that she always thought about others know matter what she was going through. She will be missed. My prayers goes out to her children and family.
