“ My deepest sympathy is extended to the family. I recently lost a family member to an act of violence and I know the pain all too well. Although, I did not know Latonia well, I had the pleasure of meeting her and her mother when I waited on them at the Social Security office. Latonia and her mom left a lasting impression on me. I knew I would never forget them so when I saw Latonia on the Saturday night before she died, it was easy to remember her. On that Saturday night, we laughed, talked and played cards (she was my spade partner) until the wee hours of the morning. My heart aches for the loss of this lovely woman and I am Blessed to have had the pleasure of being in her company, even if only for a short time. May God provide the strength to see the family through this tragedy.

“ Peace, I leave with you, My Peace I give unto you; Not as the world giveth, Let Not your heart be troubled, neither let it be afraid. But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope. For We believe that Jesus Died and rose again, even so them also which sleep in the lord will God bring with him.

“ It's true we bring nothing into this world, and nothing we take when we pass. So the time in between we must use carefully, for only the memories will last. We hurt because you left us, we cry because you're gone; with sorrow we must say goodbye, but your memory lives on. Because of what you mean to us the loneliness will always remain. But because of all the love you gave, in our hearts...
