“ *For Grandma Dean, her five beautiful creations and all of my family,*

I wish that I could be there with all of you as you remember Grandma and celebrate her life and legacy. She was a strong and loving woman. She was intelligent, beautiful and had a wit as sharp as a whip. Her laughter was as bright as the sun and just as warm. I have been blessed to have had her in my life for so long and therefore I grieve her having to leave her earthly home.

We all have some of her within us. Her legacy lives on in us. She is us and we are her. Although I am not there to see you one last time grandma, I know you are with me and that you are personified in one of your five best creations, my mother, Adell Louise Means. I love you up to heaven and back again grandma. Love always and forever, your granddaughter, Angel Marie Rose and Family.

“ Mrs. Dean was the Grandma of my dear sister Tiffany Thompson. You and your family are in our prayers. Please contact us if you are in need of anything. We love you and understand your hurt, and our prayer for you is recorded in Philippians 4:7 'And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus". Mrs. Dean blessed earth for 88 years before the master called her on home. I thank God for her life.
