“ *When we lose someone we love, it seems that time stands still. What moves through us is silence; a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why, but little by little we begin to remember not just that they died, but that they lived, and that their life gave us memories too beautiful to forget. "May the peace do God that surpasses all understanding" comfort and strengthen you. (Phillipians 4:7). Sincerely, Donna Chaskin*
