*I am so sorry to hear. Hugs and prayers to Miss Harold's entire family. I was blessed to have the honor of knowing this angel. I was gifted the pleasure of her stories everyday as her mailman. And even more blessed to call her my friend. I would bring her fish dinners and strawberry ice-cream on her b-day for years. One specific story she told about her friends as a child in Monroe Louisiana gave me the idea to introduce my young daughters to her. Since she heard of them and seen pictures of them grow through the years. After meeting them. She loved them and vice versa. She then would call them her "girls". As they reminded her of the friends from Monroe. I learned so much from Miss Harold. I deeply miss her. She was a gift from God and made this world a better place.*

*My deepest sympathy
