

Mr. Lavarne Ross

January 1, 1941 - August 2, 2024

ROSS, Mr. Lavarne - Age 83, passed away Friday, August 2, 2024, at his residence. Memorial service will be held at the Flint Institute of Arts, 1120 E. Kearsley St., Flint, MI 49503 12 Noon on Saturday, August 10, 2024. There will be an L.Ross Community Celebration of Life Saturday, August 10, 2024, from 5:00 PM-8:00 PM at the Greater Flint Arts Council, 816 S. Saginaw St open to the public. Mr. Ross will lie in state in the Chapel of Lawrence E. Moon Funeral Home, 906 W. Flint Park Blvd., Friday, August 9, 2024, and may be viewed from 10 AM to 4:00 PM.

Our beloved Lavarne Ross was born January 1, 1941, in Flint, Michigan, to Annie Lee Luckado and Ed Ross, Jr. He attended Flint Public Schools all of his life and graduated from Flint Northern High School in 1960, where his passion, love, and appreciation for art, and his God-given gift, were nurtured.

He sold his first piece of art to his neighbor, Ms. Willa Mae, a painting made from old fabric window shades, at the age of 12. After graduating, he moved to Chicago and worked at the University of Chicago's Art School. Lavarne's heart was always in Flint, the city he loved. His love for his hometown compelled him to return home. His art, which often depicted historical references about the city, family life, ancestry, music, and his unwavering faith, was a testament to his deep connection with Flint.

Upon his return to Flint, he began working at Hurley Medical Center. Lavarne's love and compassion for people was expressed through his interactions with patients and coworkers. In 1965, he married Carol Boone, and five children were born to that union. He began working at AC Spark Plug, a division of General Motors, in 1966 until he retired in 1998. He began doing pastel portraits of coworkers and their families and pets. This experience was an opportunity to showcase his God-given gift. General Motors leadership took notice of his incredible talent and commissioned him to create murals on the factory walls. He worked with Mott Community College to help develop a community center, transforming the historic Father Blasko Hall into the McCree Theatre, named after Flint's first Black mayor, Floyd J. McCree. Although he was very humble about his talent, his art, with the red signature "L. Ross" in the bottom right-hand corner, can be found all over the world and has been featured in blockbuster films. His art can be viewed all over Flint, including Hurley Medical Center, McLaren Hospital, the 7th Judicial Circuit Court building, Lawrence E. Moon Funeral Home, The New McCree Theatre, and an array of other locations.

Lavarne dedicated his life to Jehovah and was baptized in 1974, recognizing that "the drawing near to Jehovah was good for him." (Psalms 73:28). His service as an Elder in the Belleaire Woods congregation of Jehovah's Witnesses was a testament to his deep love for Jehovah, and for Jehovah's people, a role he faithfully fulfilled for over 35 years. His love for sharing his faith was evident in his interactions with people, as he seized every opportunity to witness and talk about his faith.

Lavarne was not just an artist, but a historian and master storyteller. He had a unique way of explaining the purpose of each of his original paintings, sharing the stories behind his art with anyone who would listen. His love for his family and community was profound and evident in his art. He cherished countless opportunities to honor his family and loved ones with his creativity, using his

storytelling skills to bring his art to life.

His passion for helping younger generations was fueled by his experiences with teachers who dismissed his passion and told him to work in the factory. He was always eager and willing to make an appearance at his grandchildren's art classes at their schools throughout Genesee County. He touched every generation. He was an incredible art instructor, helping even the youngest generations understand that they needed to start their drawings in the middle of the paper.

He leaves to cherish his loving memory: devoted and loving wife of almost 25 years, Dina Lavon Ross of Mt. Morris, Michigan. Five children: Kenneth Ross, of Pearland, Texas; Keith (Sheila) Ross of Grand Blanc, Michigan; Kimberly Ross of Pearland, Texas; Kevin Ross of Hapeville, Georgia; and Kristopher Ross of Flint; Bonus children Eguono "Uno" (Christopher) Ponius of Novi, Michigan; Keir (Aisha) Foster of Dearborn, Michigan; Tonya Woods of Sousa, Dominican Republic, Marcus (Kelly) Rankins of Grand Blanc, Michigan; and Andrae (Joyce) Hickmon of Gilbert, Arizona; sisters Aneta (Danny) Wilkerson, of Flint; Juanita (Laurence) Wells of Flushing, Michigan; brother James Campbell of Mt. loving cousins, other relatives, and friends, including special cousins Fred and Kimberly Ross and close friends Donny Mayfield, Oliver McGhee, and Teddy “Teddy Bear” Chandler.

A very special thank you to Dr. E. Saeed and staff for many years of consistent and loving care, Heartland Hospice, Shirlene Williams, who proved to be our “ram in the bush,” many times during our arduous journey. To our sweet cousins Melissa Brown and Daria Ross, for all their help with this program and coordination, and the dear brothers and sisters in the Belleaire Woods and Grand Blanc congregations, our family thanks you for your love and support, which has helped us to endure in this most difficult time.

“ So sorry to hear of Mr. Ross’s passing!
Just happened to look him up this morning... I purchased his original Armistad painting due to the emphatic insistence of my then 17 year old daughter that it has to be the framed original one! It is proudly displayed in my Florida home along with 2 other pieces of his beautiful work!
Rest well my brother! Rest well !

“ I happened upon a beautiful piece of artwork by Mr. Ross years ago at a festival in Denver. I couldn't afford it the first weekend I saw it but the next time I got paid, I went to the festival again and purchased a framed print of "Metamorphosis." I'd moved several times since then and somehow lost that beautiful piece of art. Years later when I bought my first home, I knew I HAD To have "Metamorphosis" again and was able to find his web page and ordered it. Upon delivery, Mr. Ross actually called me to confirm I'd received it and we had a delightful chat about his work in general. I'm very grateful that I had a chance to come across his beautiful work and had a chance to speak with him. He leaves a legacy of Black EXCELLENCE and many beautiful pieces of art that I hope people will continue to discover and enjoy for many, many years to come.

“ I will forever be grateful for Mr Ross sharing his artwork in his home studio with my sister and me 3-4 years ago! Mr Ross was a gentleman and a very talented artist who captured so much of the Black community's experiences here in Flint throughout the decades! Thank you Mr Ross! I'll always have a very positive memory of my brief interaction with you!! RIP 🥰

“ My condolences to the Ross family. Great memories when growing up in the Edwards Avenue block, where Lavarne and the family lived just a few doors down. I've followed and have seen much of his art in many places, and still remember vividly the infamous garage door paintings and the way to Gundry. We still have some art Lavarne painted for our family too - Please know I consider Lavarne a Flint treasure and icon, as I'm sure many do.

When He seen me casual dressed he told me that I was out of uniform and I thank God for he and I interacting and talking about the painting that He did about Flint Park and I always told him well. You left one word out. You should've put the jackrabbit in that picture and that was a we always had a big laugh about that, but I certainly thank God for knowing him and him knowing my family members and I thank God for knowing his family members, I grew up with them in the name of Jesus, thank God amen*

“ This is Attorney Hewitt Chatman, Plant City, FL. I first met Lavarne in the early 1980's, and really liked him immediately. Me and Lavarne became friends immediately, and I purchased my first painting from him shortly after we met. Over the years, me and my wife Dornell purchased, and currently have 18 of his paintings in our home, which are enjoyed by everyone who visits us. Over the years, me and Lavarne had numerous phone conversations together, even after we relocated from Flint to Jackson, TN, as well when we relocated from Jackson, TN to Plant City, FL in 2017. We continued to purchase his great paintings, with our last purchase of Sam's Town a couple of years ago. We visited with Lavarne and his wife in Flint in 2023, and took several of his paintings with us to a luncheon we held in Flint. We sold some of his great paintings at our luncheon, and took the few remaining back to him and his wife. Unfortunately, that was the last time we saw him in person, but we continue to talk via phone until recently. Our Prayers and Condolences go out to his Wife and Entire Family during this period of Bereavement. Lavarne was one of a kind, God Loving, and he will surely be missed. May God Bless, and Keep his Family. Attorney Hewitt & Dornell Chatman, Plant City, FL. My current Barber here in Plant City, has Lavarne's Barber Shop painting of "Mack's Barber Shop, hanging on the wall. We all lost a Giant in Lavarne
