“ *Larry will be greatly missed. I know how much he has meant to his family and friends. Larry will always be a part of me. I will carry with me the kindness, gentleness, and patience he showed me when I first went hunting and fishing with him and my Dad. My father could not have ask for a better man to have a friend. I pray they will continue to laugh and enjoy great times together in the life everlasting.*

You and your family will continue to be in my family's prayers. May God bring you comfort and peace in your time of sorrow.
