“ *LONE WOLF!!!..A great and kind man...I'll never forget the many many conversations and interactions we had sitting outside Tire Shop..I always enjoyed talking with you. The advise you gave me and the unique way that put it..no holds barred!..you were a good friend. I used to joke with Larry and tell him .." when I grow up I wanna be just like you"..(I was older than 50 then)...and now that I reflect on the memories, being like you is not such a bad idea.. Missed but not forgotten!!*

“ *To the wright Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there ia a real hope for persons who have faith.

*Yours truly,
Patricia*
