“ *I went to high school with Jeff and Kevin, but Jeff Duane, my sister Wendy and I were best of friends. Duane and Jeff were the only boys my mother trusted to be alone with us. She said she could tell that they were "raised to be respectable young men". I only met Mrs. Johnson twice, but both times she was very nice to my sister and I. Jeff, you and your family will be in my prayers and I will be sending good thoughts your way.*
