“ *I was saddened to hear of the passing of Mr Lee Porter, I have know him for a number of years. Mr Porter was a quiet man who loved his family dearly, he was a giving man always willing to reach out to lend someone in need a helping hand. While he will be greatly missed he will always remain in your heart. To the Porter family I say trust in the Lord, he will send the comforter to ease your pain. I would have attended the services for Mr. Porter, but I had major surgery one week ago which does allow me to get out yet. I will keep you in my thoughts and prayers, a long time family friend Reggie Richardson.*

“ Dear Porter Family and Friends,  
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is tremendous, even with the passage of time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress according to Psalms 83:18, and Psalms 65:2. Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again, as promised at John 5:28.29 and Isaiah 25:8. My family and I wish you and yours peace.

“ My grandfather was a remarkable man. He went out his way for others and he was somebody you can truly call on. I remember so many times reaching out to him and he was always there for me. And I appreciate him for that. I'm very sad he is not here with us, but I can be happy knowing leaving us, a job well done. You are missed.

“ *To my dear friends Sandra Kay and Harvey and the rest of your family and friends. I would like to extend my deepest sympathy for your loss. But I also admire that you had your Father throughout your life. I lost mine when I was 11. You all have enough beautiful memories to last you for a lifetime, and I pray that they comfort you through your darkest hours. My father left when he was 38 and my memories of him has sustained me thus far. I know I can't say anything to heal your hearts, that is God's job, but if you need a shoulder, I have two and they are bigger than they were when we met in 1981, I had to say that. Just know that I will continue to keep you all in my prayers. I LOVE YOU~Naye*
