“ *Leishei baby girl I will always love you and ill never forget about you. You will always remain close to my heart. Every day I miss you and wish you were here. I got to spend the most amazing three months with you wasuur boyfriend and I thank you for coming into my life and impacting my life so much. Ik we didn't get to do make that many memories together but the ones we did make are amazing and ill never forget about them especially the ones that I got to spend in the hospital with you and get you to laugh and see that amazing and wonderful big smile of yours. I love you Leishei Amanda Holley. You are Gone but you wil never be forgotten especially at the Job Corps. You touched so many lives while you were there and so many people loved you and will NEVER forget about you either. You are one of the strongest and toughest people I have ever gotten the chance of knowing in life, And I some day soon I hope I can be as strong as you were. In life we all have struggles and challenges it just depends on the person on how you deal with them and you dealt with so much in life and you achieved your goal in life and I am so proud and happy for you that God gave the chance of letting you finish before he took you home. I love you baby girl and I will live my life to the fullest for myself and for you. And someday we will see each other again.*

*May the good Lord put his loving arms around your family. Leishei has truly been one of my most inspirational individuals/students that I have I had the opportunity to teach and get to know off. She was a fighter, a leader and most of all a caring person who would go out of her way to help those that needed it. She was a true inspiration for anyone that when times got tough she would not give up and finished what she started. I could be any prouder of having the honor to have Leishei as my student. You will truly be missed.*

“ *I remember when I first met you we talked about your love for the Jonas Brothers and all we could do is sing every song, talk about the show and laugh together. Even when i wasn't funny you laughed anyways. Even when I was down you came and made me feel better. And even those moments when I was stressed out you were always the one to remind me of the bigger picture. Even though I only spent 7 weeks with you. You really impacted me during that time. I haven't stopped crying since we've lost you. You are and forever will be a blessing to everyone who has ever had such an amazing opportunity to meet you. I will always miss you and I Will Forever Be Thankful To God for bringing you into my life and my family's life. From the Benoit's we love you with all of our hearts and we will never forget you. Give a hug to to God for us. Rest in peace Angel.*
