“ My uncle was a awesome man, he taught me so much about life, food and the importants of family. He was generous, stubborn, and smart. I will miss him so so much. He always came to check on his sister in the nursing home, and she loved his visits. I can't imagine every eating a sweet potato pie or dressing without thinking of my Uncle LC. That was our annaul thing. I will LOVE you always, your niece LORETTA!!!
