“ Rare are the individuals who truly impact us, shape us, and inspire us to serve others. Lenore saw the best in all of us, and encouraged everyone to aspire to new heights. Lenore's dedication to others was unmatched, and working with her was a true honor. We have lost a friend and a mentor, but heaven has gained a faithful servant. Lenore, we celebrate your life, and your legacy will forever live on in the Flint community.

“ Sean,

I am writing for myself and for my late husband, Jim Campbell. Your mom was a constant in our lives for a few years. She was not afraid of anyone or anything, nor did she feel it necessary to follow the rules if it didn't fit her agenda. Lenore was one in a million. She made us laugh, applaud, and curse occasionally.

I respect her for all the good things she did for the Flint Community Schools. She worked tirelessly and cared about the whole district. I know much of her energy in the later years was spent working at MCC, however it was with the school district that I observed her working upfront and behind the scenes. She did not complain about what was expected of her, just motored on changing what she could and working around things she could not change.

She deserves the respect and thanks of the Flint community.

*Sincerely,
Peggy Campbell*

“ Lenore was blessed and shared her blessings with others. She was blessed with family, intelligence, strong work ethic and purpose. She cared about MCC, Flint Public Schools, Delta Sigma Theta Sorority, among other causes. She was instrumental in creating the Flint Journal's former teen section, Word Up! and inspired hundreds of high school students in the process. What a life -- to find causes and people to love and who love you back. She committed herself to so many people and causes and taught me and others how to find a purpose that serves humanity, not one self. We all can say that our lifetime friend's living was definitely not in vain. Condolences to her family.

“ Ms. Lenore Croudy, a lady of EXCELLENCE who demanded Excellence from students, those she mentored and supervised as well.

I was fortunate to have worked with her when she was in charge of the Student Senate Program offered through the Flint Schools. We would participate in Government Conferences that included students from rural and suburban areas throughout the State of Michigan. Because of the poverty through the loss of thousands of jobs and high crime rates many “outsiders” viewed the city negatively. Ms. Croudy dispelled those false group images. In fact, many youth conference administrators, workers and student participants were surprised by the social etiquette displayed by the Flint Schools students thanks to Ms. Croudy and her high expectations.

As one of the student advisors, while at one of the conferences, I recall receiving a call from Ms. Croudy at 4:30 a.m. (way too early for me) to wake the students who to attend an 8:00 meeting. The staff and students were never late and always had the best seats at all of the events that we attended. The YMCA administrators were so impressed by the students (even from prior years) that when Flint Schools didn't have the funding to participate in the program, they fully funded it so that the students could attend.

My condolences to the family.

Respectfully submitted,

“ Our sincere condolences to the Croudy family. To be absent from the body is to be present with the Lord! May God comfort you all. Lenore is a lifetime friend of our entire family and she will be sorely missed.

“ Lenore was one of the fist ppl I met when I worked for Flint Schools. She not only was a sharp dresser, but she had a sharp mind. A real people person she was and all around nice person. I liked her a lot. R.I.H.
