“ To the Bridges' family and friends,
I didn't know Mrs. Bridges personally, however I wanted to offer my deepest sympathies at the great time of sorrow. When someone we love dies it is so hard to understand and deal with. There is hope. The bible offers some really good advice when we feel we have nowhere else to turn. Isaiah 25:8 tells us that Jehovah God is going to swallow up death. Revelation 21:4 holds out a hope for us that we are longingly awaiting. To learn how you are personally able to take part in this and know many of your unanswered questions please take a look at www.jw.org official website. Again I hope this brought you a measure of comfort.
