“ Shirley,

Life is here and suddenly gone. For some it?s short and for some it?s long. The answer lies beyond our reach, it?s for us to learn and not to teach. Jesus is with us in times we mourn and has never left us since we were born. With loving arms He comforts the soul and puts our loves back into control. A time of joy and a time to weep, promises forever or soul He?ll keep. Know our heart goes out to you, yet we know He?ll see you through. Shirley you have our deepest sympathy. I wish there was more that we could do, to help ease the pain and sorrow we know you are going through. However, we share comfort in knowing Leon is no longer suffering. We send thoughts of sympathy and support to you as you begin your journey without ?Leroy.? Although words seem inadequate to express the sadness we feel about Mr. Leon Anderson death. We are here to support you in your grieving process.

“ To Shirley, Leon was a good man and he has suffered a lot. Lord knows that both you and Charles have spent many nights at his bedside. As I always say "The Lord is tired of watching his children suffer and he is calling them home". I remember a saying that I heard at another funeral. The preacher said that "We are all here on vacation, trying to get home". Well, Leon's vacation is over and he has gone home. Shirley and the rest of the family you know where we are if you need anything and Charles and I love you. Lean on the Lord and know that Leon is out of pain and no more suffering. We will meet him again one day. Look to the Lord, because he is where your help comes from

“ MS. SHIRLEY, I DID NOT KNOW LEON AS LONG AS MY MOTHER AND FATHER. I DO KNOW HE WAS A GOOD MAN AND HE LOVED MY FATHER A LOT. AS WELL AS MY FATHER LOVED HIM. MY NEW WIFE AND I SEND YOU OUR LOVE AND SYMPATHY AT THIS TIME. FORM ALL THE THINGS TJAT I HAVE LEARNED, I KNOW HE IS IN A BETTER PLACE AND THE LORD HAS HIS ARM OF PROTECTION AROUND HIM. IF THERE IS EVER ANYTHING WE CAN DO JUST HAVE MY MOTHER OR FATHER GET IN TOUCH WITH US. WE ARE PRAYING FOR YOU AND REMEMBER "TO BE ABSENT FROM THE BODY IS TO BE PRESENT WITH THE LORD"

GOD BLESS YOU AND YOUR FAMILY.

“ "We are confident, yes, well pleased rather to be absent from the body and to be present with the Lord" 2 Cor. 5:8. God knows that we would experience bereavement, he watched his own go through bereavement of his uncle, Lazarus. But God sent us a comforter and not only a comforter but a guide and a leader of our lives, The Holy Spirit. Sis. Anderson stay strong in the Lord, the word tells us having done all, to stand. So my word for you today is stand strong, with your head high and shoulders square and know that the God that you serve will never leave you nor forsake you and will be there when everyone else is no where to be found.

God Bless You!!!

“ First of all, my deepest sympathy to the Anderson family. Leon will truly be missed, like they said god takes the good ones first, and we know he got a good one in Leon. Leon holds a special place in our hearts, and always will. We know he's smiling down on us. I remember him saying one thing for sure he has lead a good life, and the world don't owe him nothing. And he made sure everyone around him had a good time while in his presents. We will truly miss him.
God bless The Anderson family.

“ Shirley, We will truly miss Leon. He has been a joy to know and to have been a part of my life for so many years. I can sit and smile about the things he did and said to make others laugh when times were not so good or easy going. Especially the hair pulling part when he was worried about something or trying to dance by doing the "belly roll". I have lots of good memories and of course some bad ones too. One of my most recent memories is the fact that he was just in Ohio checking on me because I was in the hospital near death and now he is gone. Even though his death hurts and leaves a sad spot in my heart, I can thank God for giving him peace and no more suffering. Pray, lean on the Lord and continue to walk the path the Lord gave us and we will see him one day soon. Shirley, you have our deepest sympathy.
