“ Hello Pat and Family,

I just wish to send you all my sincere sympathy. As I have mentioned to Jackie in the past, when we met at that camp and spent that short time sitting out in those rocking chairs having a good ole time talking about God only knows what!... I knew that you were a sweet and special person. If I never see you again, you've already left a lasting impression on me. Stay strong as you are Pat. This too shall pass.

“ Although it sometimes seems to us our prayers have not been heard, God always knows our every need without a single word, And He will not forsake us even though the way is steep, For He is always near to us a tender watch to keep....And in good time, He'll answer us, and in His love He'll send Greater things than we have asked and blessings without end. So though we do not understand why trouble comes to man, Can we not be contented just to know it is God's Plan?

Blessed are those who take refuge in Him. Psalm 2:12 RSV

“ Over the years we did not get to see each other often, but I truly loved my uncle. He was very special to me and my family. He always offered a kind and encouraging word when we did see each other. He and my husband Murray would always talk like they had been friends for life. I will miss him very much. To my aunt Pat and cousins, I love you very much as well and will keep you in my prayers. Love always, Tweechie.
