“ Lenny, I'm going to miss you so dearly. You were one of my favorite Nephew's, who always put a smile on my face and made me laugh with your comical jokes!! No matter what, I will always keep your loving memory tucked deep down in my heart. It hurts so bad just thinking of you is very difficult now. You brought me so much joy and laughter every time you came around. My shining light “I see you as the sun that shines so bright”. I know you're ok now cause you're with the Lord. Rest Peaceful my darling until we meet again. Your Loving Anti Mel

“ We go back to bubble mustaches and beards in the bathtub. Raised up like brother and sister. Let a n***a step to you I jumped in front like "COME THROUGH ME FIRST"! Helped you hide your liver and onions in the trash... Listened to your pain and celebrated your victories! A piece of my heart went to heaven with you! Losing you in my birthday..... words can't explain. Until again... I love you cuz 😊
