“ My heart goes out to the family. I will keep you in my prayers. I know times seem hard without your loved one there by your side, but as long as you have God in life your never alone. He is only absent from earth but present in Heaven. I know how feel. I lost my father (Pastor Greer) not to long ago because of the same thing. Just keep living and because your mission which is Gods will isn't done yet.. God Bless.
