“ To the family of Leonard Washington, words cannot express the loss of a good friend. Leonard was a listening ear when I needed to talk. We laughed and talked about family, work, and whatever came to mind. We go back to school days, then working together. He will be missed! I've prayed that God will comfort each of you and give you peace as you mourn your loss. Cherish your memories! We will understand it better by and by.

“ *So very sorry to learn of Leonard's passing. I worked with Leonard for a number of years in the Die Engineering group. I just want his family to know what a nice and decent man he was to me and everyone, never failing to smile and say hi when passing in the aisle. A little thing maybe, but something that showed his humility no matter what level he rose to - I am proud to have known him. He and his family will be in my prayers.*
