“ *I'm going to really miss you Cuz, this is you brother Salone. Before I herd of your passing, you crossed My mind and I had to laugh to myself on how much fun we would have "street racing" on Crenshaw and over on Main. Then We would suit up in sweats get our beers out the freezer and go battle it out on the tennis court in Inglewood 3am to 5am I'm surprised local residents never called the Shamus on us with our loud yelling debating whether the ball was in or out. Man...I'm a really miss you Love you cuz, see you when I get there. You better have a fresh one out the freezer for Me when I do.*
