“ *Michelle, I am truly sorry to have just heard about your mother's passing and then Leroy. Had I'd known, I would have been there personally to share my condolences and to hug you tight, as you did me many times when you helped to take care of my daughter, Cyndee Chaney. My heart goes out to you, as I know what it feels like to loose a close loved one, as I did with my daughter but also my brother, Draike Sparks, a few years ago. What I can share is that God is good and he is faithful. He replaces that emptiness with his everlasting love and peace. Trust him and he will give you and your family strength and comfort during this most difficult time in your live, now and in the days ahead.*

I will keep you lifted up in prayer and hope to connect with you soon.

“ *My heart goes out to Leroy's family. You are truly missed at the Hilton Washington Dulles, still seems unreal to me that you're gone! I will miss when you would stop by the Front Desk always made us laugh with your funny stories.*

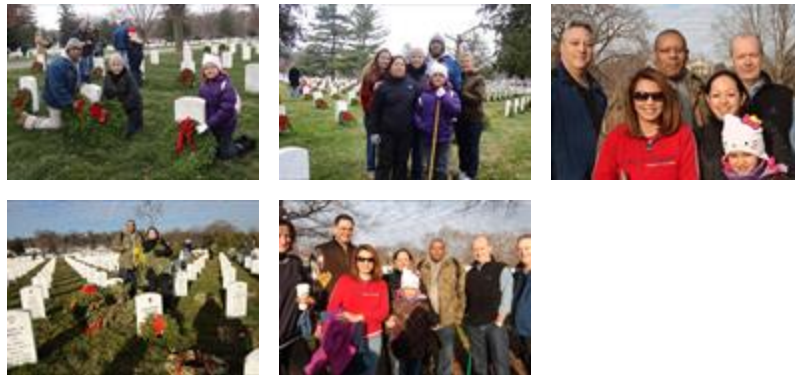

I can still hear your voice stopping by the front desk saying, "Hey sweetie" and would give a handshake afterwards. One of the kindest and funniest persons I have ever met. Work won't be the same without you. Rest In Peace Leroy
